PREMIUM STANDARD EQUIPMENT

SMART VENTILATION:
A wide-opening front window designed for easy cleaning access and optimal airflow.

EASY CARGO ACCESS:
Innovative, frameless side windows allow for quick and convenient loading from the side of the bed.

HEAVY-DUTY ROOF RAILS:
Premium, integrated rails ready for your gear, capable of handling up to **220 lbs.**

FRAMELESS REAR DOOR:
High-strength, tinted tempered glass featuring a sleek, color-matched spoiler for a streamlined finish.

MANUAL OVERRIDE LOCK:
Traditional key access for added redundancy and peace of mind.

DUAL LOCK SYSTEM:
Maximum security featuring a wireless electric central lock that controls all windows simultaneously, paired with a traditional manual key backup.

INTERIOR LIGHTING:
E-Mark compliant LED interior lamp for easy visibility during late-night camp setups or early-morning hauls.

The Venture Canopy delivers the perfect balance of rugged utility and premium SUV-styled design.

- **Slide-In Side Lift-Up Window:** Frameless, quick-release design for fast access and easy cleaning.
- **Dual Lock System:** Wireless electric central lock plus a manual key for backup security.
- **Premium Roof Rails:** Heavy-duty integrated rails rated to carry up to 220 lbs.
- **Frameless Rear Door:** Sleek built-in spoiler with color-matched, tinted tempered glass.
- **No-Drill Installation:** Fast, hassle-free setup using smart brackets that preserve the integrity of your truck bed.

Experience the Venture Canopy, precision-built to elevate every drive and every weekend adventure.

VENTURE PREMIUM ACCESSORIES

Tailor your Venture Canopy for any mission. Explore our modular range of upgrades designed for heavy-duty hauling, rugged trail protection, and maximum utility.

Mounting Legs (High Mount 2.3")
Elevated design providing extra roof clearance for larger gear or accessories.

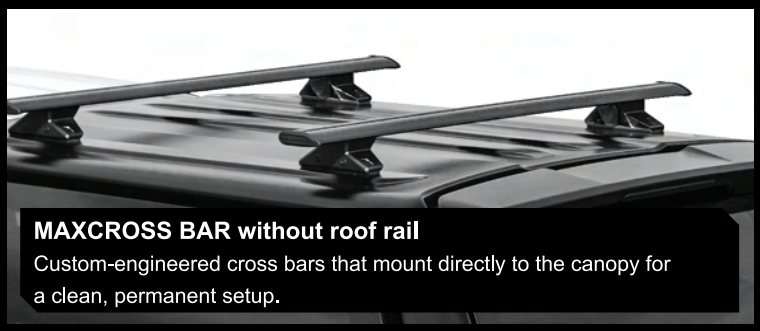

Mounting Legs (Low Mount 1.7")
Sleek, low-profile aerodynamic design for a streamlined look and better garage clearance.

Premium Aluminum Base Rack
Heavy-duty platform engineered for maximum utility and serious cargo hauling.

MAXCROSS BAR with roof rail
Seamlessly clamps onto factory roof rails to quickly expand your cargo capability.

MAXCROSS BAR without roof rail
Custom-engineered cross bars that mount directly to the canopy for a clean, permanent setup.

MAXMESH for slide-in side lift-up window
Heavy-duty security mesh tailored specifically for slide-in side lift-up windows.

MAXMESH for slide-in side lift-up window V2
Heavy-duty steel security and impact protection for side window panels.

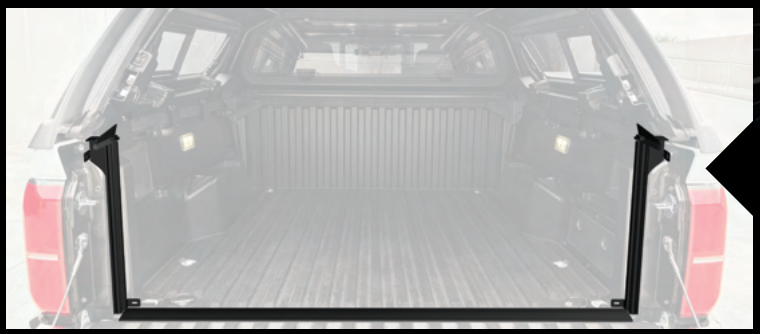

MAXMESH SIDE for VENTURE CANOPY
Heavy-duty steel security and impact protection for side window panels.

MAXMESH BACK for MAXSIDE WINDOW BOX
Precision-fit steel mesh designed to secure and protect your side window storage.

MAXSIDE WINDOW BOX for VENTURE CANOPY
Integrated external storage box for quick, organized access to your tools and recovery gear.

DUST SEAL KIT
Premium weatherproofing system designed to block trail dust and moisture from entering your truck bed.

MAXLINER

MAXPRO
maxliner

MAXPRO floor liners offer ultimate protection with raised lips to trap spills and dirt before reaching your carpet. Engineered from high-density, durable material specifically for the Toyota Tacoma 2026 , they resist cracking or warping. Simply rinse with water to restore a factory-fresh look.
